

Digital Learning and Teaching Facilitator

Permanent, Full-Time

£45,088 per annum, pro rata

The Digital Learning and Teaching Facilitator will be responsible to the Learning and Teaching Innovation Manager for providing specialist support to staff and students to enhance learning, teaching and assessment through the effective use of digital technologies, including artificial intelligence (AI).

The main duties of this role include developing E-Learning resources, facilitating staff training, supporting students in digital study skills, and enhancing and maintaining digital platforms to improve the overall learning experience.

The successful candidate must possess a qualification related to any of the following: teaching, training, learning & development, digital technologies, computing or an associated subject. Experience in using or supporting digital learning technologies, including AI tools, in an education or training environment is essential.

To apply please download the job details and Staff Application Form from our website.

This post is considered Regulated Work with Children under the Protection of Vulnerable Groups (Scotland) Act 2007. Successful applicants will be required to become members of the relevant PVG scheme, or undergo a PVG Scheme update check prior to a formal offer being made by South Lanarkshire College.

For further enquiries please contact People Services Department, South Lanarkshire College, College Way, East Kilbride, G75 0NE, by telephoning 01355 807780 or by e-mailing humanresources@slc.ac.uk
